Northfield, OH 44067

Dear Kim,

We have been on the new check printing and signing system for three months now. I just wanted to comment that the City of Independence has found this to be a vast improvement over our previous method.

Utilizing our existing SSI software, we like how your system can print and sign Accounts Payable and Payroll checks onto blank check stock, and also our Purchase Orders onto blank colored paper. This has saved a lot of money in forms costs and is also a much more secure way to process these documents.

We would recommend F&E Check Pros to any other client on SSI, or any other software that it may work with. It will improve the security of the signature(s) and improve the process in their finance department.

The Dahle shredders that we purchased have also been a nice addition to the city. They are nice and quiet and quality made.

Thank you, Brad, and your staff for helping us with these improvements.

Sincerely,

John M. Veres
Finance Director
