Dear Kim,

I wanted to let you know how happy we are with our Wycom check signer. I am so pleased that we no longer have to find a board member to sign checks; the Wycom has made the check-signing process so efficient!

Thanks to both you and Brad for answering all of my questions about the system and for an extremely easy installation. I was very comfortable working with both of you.

I would highly recommend F&E Check Pro's and the Wycom check signer to anyone thinking of making a change.

Sincerely,

Suzanne Wiersma
Business & Operations Manager
