Dear Kim:

I wanted to take this opportunity to pass along our sincere thanks and appreciation for the assistance that you, Brad and other staff at Check Pros have given the Fairfield County Treasurer's Office throughout the past several years.

Since I have been Treasurer, it seems that whenever we have experienced any issues with our scanner or the scanning program, Check Pros has always been there ready to help. We certainly appreciate the priority your staff has given certain "projects" of ours when an issue creeps up, especially right before a collection period begins.

You and your staff have always been very approachable; and the Treasurer's Office staff is appreciative of that fact. It is comforting to know that when someone from our office calls Check Pros, they will be greeted in a friendly, helpful manner versus one that is defensive or combative. Once again, thank you for all that you have done in the past, and we certainly look forward to working with Check Pros in the years ahead.

Sincerely,

Brian S. Kuhn, CPA, MBA
